

PRIME TIME is a High energy weekly worship for all students 7-12th grade from 6:45 pm - 8:00 pm on Wednesday nights. We love to see students growing through the use of their time and talents. At Prime Time, students lead in all elements which include a live band, multimedia, drama and games. The students are challenged weekly with God's word on how to face issues they struggle with day to day. As students become more involved, they will develop lasting friendships and get to

IMPACT is our Sunday morning program designed for Bible study with a direction toward making God meaningful in a student's life. Each meets separately which allows the development of a personal relationship with the awesome adults who lead these groups each week. For the student's convenience, we have Impact classes at 9:00 am.

STRINGS (Sunday Night Bible Study 6:00PM) At Immanuel Baptist Church we believe in plugging students into a deeper more committed time of Christian growth. Strings is a discipleship time that meets weekly to get into deeper issues of the Bible. This provides a more intense time of prayer and accountability. We believe "a cord of three strands is not easily broken." (Ecc. 4:12) Strings is for students who are ready to move to the next level in their Christian

Dear M.O.B. Students & Parents,

I hope you have had a great Christmas and a super New Year. There is a lot going on all at one time so I will try to keep you posted on as much as possible. In January we are going to have a night out to Little Rock to the Imax theater. The Showing is supposed to be at this point, "Hotel for Dogs". This could change as the date gets closer. This will cost the price of admission for the movie (\$12) and dinner (On your own at the mall). I need drivers so do not hesitate to email me or call me.

My Jaguars did not make the Super Bowl this year. (sigh....) But we will still watch the other second rate teams and cheer for one team or another. I am looking for a location to have the Super Bowl Fellowship. If you would like to donate your home for a night, let me know.

Our one fundraiser a year is coming up in February. I will be contacting some of you to help me. There is a plan in place for that night. It will be an incredibly fun night. It will take a lot of people to pull it off. Please understand, we do not do a ton of fundraisers. We are one of the few churches that do not have to fundraise year round. Our church has blessed us with a nice size budget. It is important to me to keep the prices of our trips down as much as possible. Therefore, it is VERY IMPORTANT to make sure that your child participates in some way in our Valentines banquet. I need people to help serve food, adults to help in the kitchen, students to help in the production, media guys, light people, and more. This is a big deal. Please mark February 15th on your calendar.

There are still plenty of trip spots left. Please understand, Centrifuge spots are still open. After February 1st, I will be sending our deposits in. This means that if I have 55 people with deposits in, then that is what I send money in for. I will not have all 70 spots open after Feb. 1st. Please get your deposits in as soon as possible. There is room on every trip still. Only a couple spots open for our Canada trip.

This year is going to be great. Get involved. I need some adults to help out on Wednesday nights and on Sundays. If you have interest with helping with drama/video projects, talk to me. I can always use more help. Please read the rest of the newsletter to find out what is going on.

February COMING EVENTS

“What’s love got to do with it?”

We will explore relationships. (Friendships, sex, and how God fits in.) Only one of three teenage girls will be a virgin after high school and one out of four boys. This will be age appropriate for all ages. This is not a “sex” talk. It is a talk of why God wants us to keep pure. This is a series about finding what true love really is. (No greater love than this than a man lay down his life for a friend.)
